

# G<sup>3</sup> Systems 3'x2' Master Module

## 1. G3 Vessel Tub Assembly

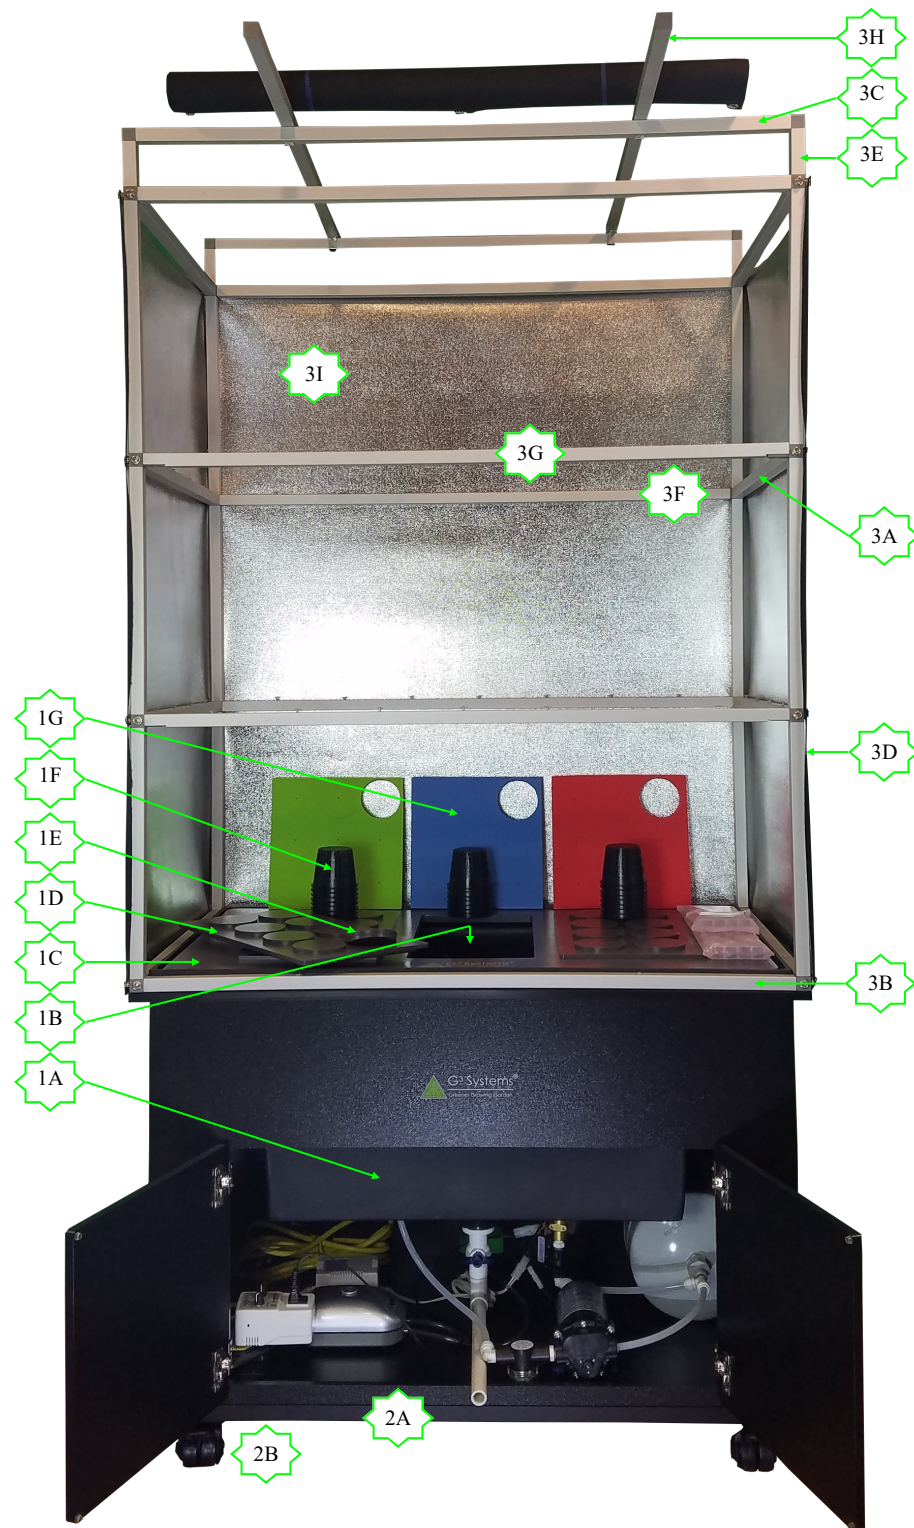

|   | Part # | Description         | Qty |
|---|--------|---------------------|-----|
| A | G3-100 | Vessel Tub          | 1   |
| B | G3-110 | Manifold            | 1   |
| C | G3-120 | Vessel Lid          | 1   |
| D | G3-130 | Net Cup Tray        | 3   |
| E | G3-140 | Net Cup Plug        | 24  |
| F | G3-150 | 3" Standard Net Cup | 24  |
| G | G3-160 | 3" Neoprene Collar  | 24  |

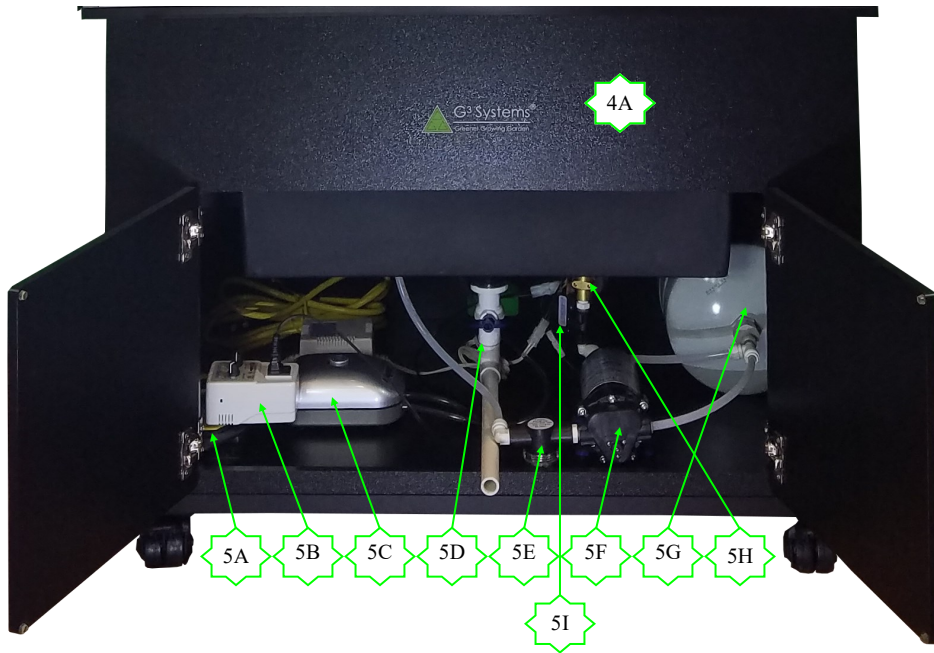

## 2. 36"x 21" Caster Base

|   | Part # | Description                       | Qty |
|---|--------|-----------------------------------|-----|
| A | G3-200 | 11 GA Steel Caster Base Frame     | 1   |
| B | G3-201 | 150 LB Capacity Twin Wheel Caster | 4   |

## 3. G3-300 Light Kit Frame

|   | Part #  | Description               | Qty |
|---|---------|---------------------------|-----|
| A | G3-310  | Light Kit Side Panel      | 2   |
| B | G3-320  | Light Kit Base            | 1   |
| C | G3-330  | Light Kit Top Assembly    | 2   |
| D | G3-340A | Long Extensions           | 8   |
| E | G3-340B | Short Extensions          | 8   |
| F | G3-350A | Center Cross Members      | 4   |
| G | G3-350B | Notched Cross Members     | 2   |
| H | G3-360  | Light Fixture Supports    | 2   |
| I | G3-370  | Light Optimization Panels | 4   |
| J | G3-380  | #8 x 9/16" Trellis Screws | 66  |
| K | G3-390  | #8 x 1 1/4" Base Screws   | 8   |

#### 4. G3-400 Low Profile Cabinet (37.5w x 23.5d x 24h)

|          | Part #  | Description                | Qty |
|----------|---------|----------------------------|-----|
| <b>A</b> | G3-400A | Black HDPE in Matte Finish | 1   |

#### 5. G3 Systems Mechanicals

|          | Part #             | Description                                | Qty |
|----------|--------------------|--------------------------------------------|-----|
| <b>A</b> | TLM812GF           | Tripplite 8 outlet GFCI Strip w/ 12' Cord  | 1   |
| <b>B</b> | APCTART            | Autopilot Analog Recycle Timer             | 1   |
| <b>C</b> | AAPA7.8L-KIT       | 7.8L Air Pump, Tubing & Diffuser Kit       | 1   |
| <b>D</b> | G3-101             | Front or Rear facing 1/2" PVC Drain System | 1   |
| <b>E</b> | 25-183             | Inline 50 micron mesh Filter               | 1   |
| <b>F</b> | G3-14538           | G3 Engineered Aquatec High Pressure Pump   | 1   |
| <b>G</b> | TACS114-48         | 24V 2 Amp Transformer                      | 1   |
| <b>H</b> | ST-5               | High Pressure Holding Tank                 | 1   |
| <b>I</b> | PSW3120-00         | 120 psi Pressure Switch                    | 1   |
| <b>J</b> | B20V-1/4-CD-120VAC | Solid Brass Body Solenoid                  | 1   |
| <b>K</b> | G3-JGF-KIT         | John Guest Fittings Kit                    | 1   |
| <b>L</b> | G3-JGT-KIT         | John Guest Tubing Kit                      | 1   |
